

Full-Service 2019-2020 Course Calendar

Unless indicated in the table below, all courses run for 18 weeks. To help students stay on task and finish the class successfully by the end date, all students will have access to a course pacing chart. Our summer terms begin with the April start and include May and June start dates. The summer terms are shorter to allow students to finish the course prior to beginning the next school year. Please note, students may register and begin our 12-week credit recovery courses any day of the week.
